TODAY'S AMUSEMENTS

WIGWAM—NANCE O'NEIL.

The Wigwam today will show, for the last time, the William Fox production, "A Woman's Past," in which the peerless Nance O'Neil in starred. The picture is a strong dramatic production, somewhat suggestive of the famous play, "Madam X," in its climax. It affords Miss O'Neil ample opportunities to display her wonderful emotional acting and her support is uniformly strong. In the cast is Alfred Hickman, who created the role of "Little Billie" in the American presentation of "Tribov." The court room scenes are very effective and the exteriors are of the greatest interest. They show points around New York City and the famous old Tombs and its "Bridge of Sighs."

Tomorrow—Claire Whitney, late star of the William Fox productions, in a splendid Knickerbocker feature, The Mysterious Bride." These Knickerbocker productions are regular Friday offerings at the Wigwam.—Adv.

Don't Merely "Stop" a

Stop the Thing that Causes It and the Cough will Stop Itself

Cough

A cough is really one of our best friends. It warms us that there is inflammation or obstruction in a dangerous place. Therefore, when you get a bad cough don't proceed to does yourself with a lot of drugs that merely "stop" the cough temporarily by deadening the throat nerves. Treat the cause—heal the inflamed membranes. Here is a homemade remedy that gets right at the cause and will make an obstinate cough vanish more quickly than you ever thought possible.

Put 2½ cunces of Pinex (50 cents worth) in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you a full pint of the most pleasant and effective cough remedy you ever used, at a cost of only 54 cents. No bother to prepare. Full directions with Pinex.

It heals the inflamed membranes so gently and promptly that you wonder how it does it. Also loosens a dry, hourse or tight cough and stops the formation of phlegm in the throat and bromehial tubes, thus ending the persistent loose cough.

Pinex is a highly concentrated com-pound of Norway pine extract, rich in guaiacol, and is famous the world over for its healing effect on the membranes. To avoid disappointment, ask your druggist for "214 nunces of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation.
